

## PALVELUTUKKU IMMONEN LTD

Palvelutukku Immonen Ltd is a family-owned Finnish wholesale company. Our company is in the Western Finland in Pori. We encourage friendly collaboration between business partners. Our values that we emphasize in doing business are loyalty, accountability, flexibility and value-centricity, which means creating positive additional value to both parties doing business. We consider our corporate social responsibility as a possibility for continuous improvement. We follow ISO 9001 and 14001 quality and environment standards as part of our strategy and guidelines.

We offer a wide range of different products to our customers, including vegetables, fruits, dairy products, meat and seafood products, canned food, non-food products and frozen products. In some product segments we also have products with our own brands. The brands that we represent are focused on providing value for the customer. We have business relations and operations across the country. Our customer base consists of wholesalers, industrial companies, retailers and food service companies.

Palvelutukku Immonen Ltd is part of Suomen Palvelutukkuit (Patu) chain, which consists of seven wholesalers. Suomen Palvelutukkuit Ltd is a company owned by these wholesalers and its target is to negotiate centralized contracts with our suppliers, take care of collective marketing campaigns, promote our "Patu" private label products and negotiate national level customer contracts.

Palvelutukku Immonen is operating in Patu chain as an importer of goods. We import products and sell most of them to other Patu wholesalers and the rest to our own customers. We have many suppliers in Europe and in Eastern Asia. Our imported goods include canned products, frozen products, non-food products and fresh products.
